

NANNI signs East Coast Power Systems as East Canadian importer

🕒 June 2, 2016

BY NANNI

NANNI has signed East Coast Power Systems as a new importer to represent the brand on the East of Canada.

East Coast Power Systems specializes in sales, parts and service of industrial and marine diesel engines, gensets and accessories on the East of Canada. NANNI products will be served in the provinces of New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland and Labrador, Quebec and Ontario.

With this new partnership, NANNI expands its international network with more than 100 exclusive importers in the whole world.

NANNI is an international leader on the market of marine diesel engines with a product range between 10 and 1900 hp, and for power generator sets from 3.5 kW up to 500 kW. For more information, visit www.nannidiesel.com.
